

# ABSTRACT ACCEPTANCE AND PRESENTATION

1. Only abstracts conforming to the guidelines will be screened by the Scientific Sessions Committee. See Guidelines for Writing Abstracts.
2. All the abstracts submitted will be subjected to technical review by the AAAP-PSAS 2020 Scientific Committee Pool of Evaluators before the 19th AAAP Congress -57th PSAS SSAC.
3. The Committee reserves the right to reclassify any abstract into a category and/or format presentation different from that specified by the author.
4. The author for correspondence will be notified of submission acceptance and the details of the presentation (guidelines for presenters, assigned specific date and time of oral or poster presentation) by the Scientific Sessions Committee Chair.
5. Accepted abstracts will be compiled in electronic format and distributed to Congress participants.
6. The authors will assume full responsibility for the abstract content. The Scientific Sessions Committee is not responsible for and will not edit abstract submissions.
7. The oral and poster presenters who are 35 years of age or below will be eligible for the awards. (Details to be announced later.)
8. The decision of the AAAP-PSAS 2020 Scientific Sessions Committee is final.
